NAIL ORGANIZER SYSTEM

A storage solution that will transform a mess into an organize workspace.

Duchesne is presenting today its **new 2 in 1 nail storage system**, the **D box™**. Indeed, Duchesne is the first manufacturer in the industry to go beyond the simple function of nails by providing a unique, scalable, flexible and versatile nail storage system. The **D box™** system responds to the growing demand from customers for an organization system for their homes.

Because of its versatility, no matter where you want to install it, **D box™** will find its place. Its 5 storage modes, as shown below, allow for a multitude of possible configurations, either hung or stacked. **D box™** is offered in 5 different nail families (common, ardox, box, finishing and drywall) for a total of 45 articles available in two sizes of boxes, the **S20** and the **S40**.
