

DUCHESNE

Solidly Dependable

Long-lasting and eye-catching look

- Different models and thicknesses available in the widest range of colours
- For residential, agricultural, industrial and commercial applications
- Remarkable durability
- Sturdy design

Easy and economical to install

- Made-to-measure according to required dimensions
- Can be installed over existing roof*
- Light weight
- Custom-made orders
- Complete range of accessories
- Exceptionally long-lasting
- Virtually maintenance free

A perfect match with other types of Duchesne sidings

Can be combined with other types of Duchesne siding:

- Vinyl siding: Newport™, Windland™, Nordik™ or Duo™
- Aluminum siding and soffit

Superior service and quality

- Short lead time
- Professional advise and estimating services
- Boom truck delivery service to job site

* Only if recommended by a specialist or an architect

MY COLOUR UNIVERSE™

Duchesne is the only manufacturer to offer its unique colour harmony system with its three complementary lines of exterior siding. The "My Colour Universe" concept provides the opportunity to design a project by pairing different materials of the same colour.
