

DUCHESNE

Solidly Dependable

A distinctive siding that sets your house apart

- Unique selection of rich hues that adds a trendy style to any home
- Manufactured from the highest quality raw materials
- Newport™ siding's exclusive structure confers lifetime durability
- Highest quality acrylic finish guarantees unprecedented protection against aging and weathering
- Features a deep woodgrain that mirrors the warmth of wood

A wise investment

- Newport™ siding spans the seasons and the decades with grace and strength
- A product that will greatly enhance the value of your property

MY COLOUR UNIVERSE™

Duchesne is the only manufacturer to offer its unique colour harmony system with its three complementary lines of exterior siding. The "My Colour Universe" concept provides the opportunity to design a project by pairing different materials of the same colour.

The distinctive siding...

Manufactured from raw materials of the highest quality, this top-of-the-line siding provides unsurpassed resistance and is virtually maintenance free.

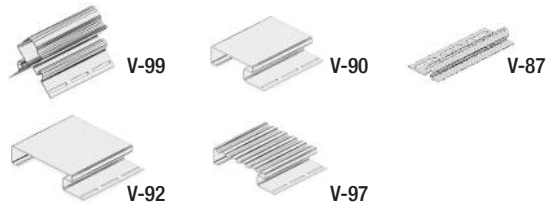

Newport™ is an exterior cladding system with a nominal thickness of .047" and an acrylic finish.

Decorative Mouldings

Modular corners and surround mouldings

DUCHESNE decorative mouldings harmoniously complement siding. Very easy to install, they are solid, long-lasting and their dimensions enhance the appearance of your home and minimize the number of visible overlaps. V-20E, V-45E, V-55E and V-65E are also available in Newport colours.

Available in the following profiles:	V-1001 DOUBLE-4 COLONIAL 101.6 mm (40")	V-1151 DOUBLE-5 COLONIAL 127.0 mm (50")
