

## COLLATED NAILS

### INDOOR

#### Bright

Natural finish  
No protection against corrosion

#### Electro-galvanized

Zinc coating applied through electrolysis  
Minimum protection against corrosion

### OUTDOOR

#### Galvanized with dichromate

Zinc application covered with dichromate  
Finish recommended when protected and slightly exposed to climatic conditions

#### Hot dip galvanized

Zinc coating applied through a galvanization process  
Superior protection against corrosion

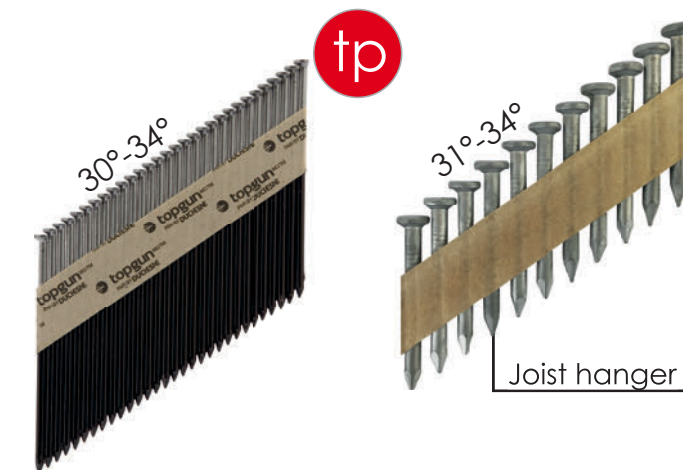

#### Stainless steel

Ultimate antirust metal  
Optimum protection against corrosion

**tp** : **top performance COATED**  
Increases the coefficient of friction  
Improves nails resistance to removal

## General construction & framing

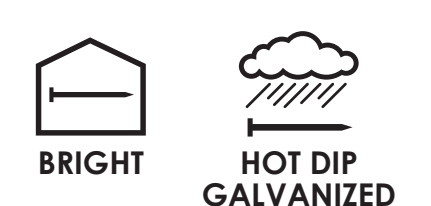

### 34° PAPER STRIP 2" to 3½"

#### SHANKS

#### AVAILABLE FINISHES

#### APPLICATIONS

- ▶ General construction
- ▶ Woodwork
- ▶ Framing
- ▶ Exterior decks & fences

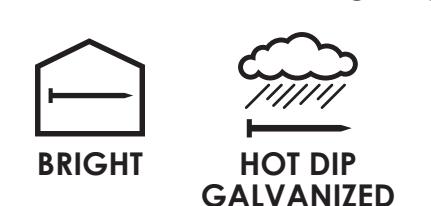

### 28° WIRE STRIP 2" to 3½"

#### SHANKS

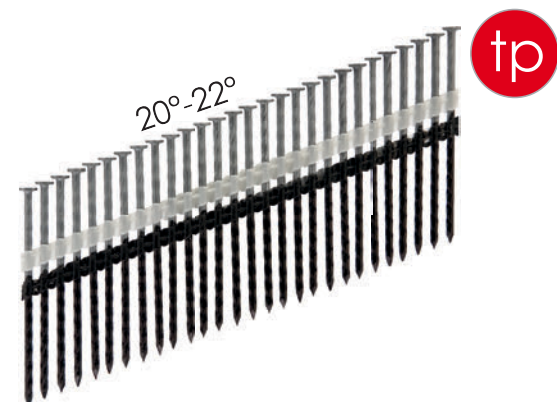

#### AVAILABLE FINISHES

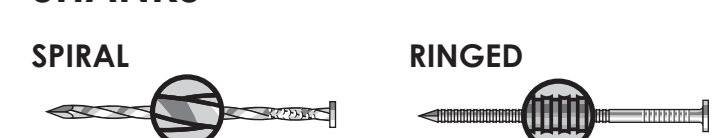

#### APPLICATIONS

- ▶ General construction
- ▶ Woodwork
- ▶ Framing
- ▶ Exterior decks & fences

### 21° PLASTIC STRIP 2¾" to 3¼"

#### SHANKS

#### AVAILABLE FINISHES

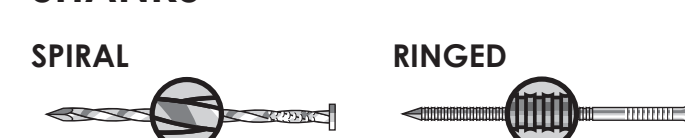

#### APPLICATIONS

- ▶ General construction
- ▶ Woodwork
- ▶ Framing
- ▶ Exterior decks & fences

### 15° WIRE COLLATED COIL 2" to 3¼"

#### SHANKS

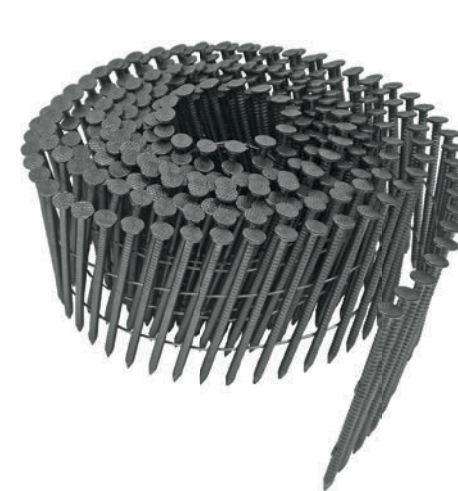

#### AVAILABLE FINISHES

#### APPLICATIONS

- ▶ General construction
- ▶ Woodwork
- ▶ Framing
- ▶ Exterior decks & fences

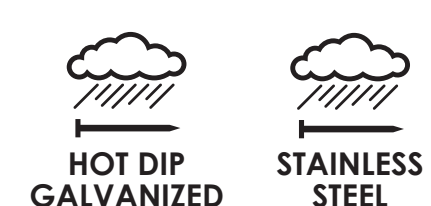

### 15° WIRE COLLATED SIDING COIL 1½" to 2"

#### SHANK

#### AVAILABLE FINISHES

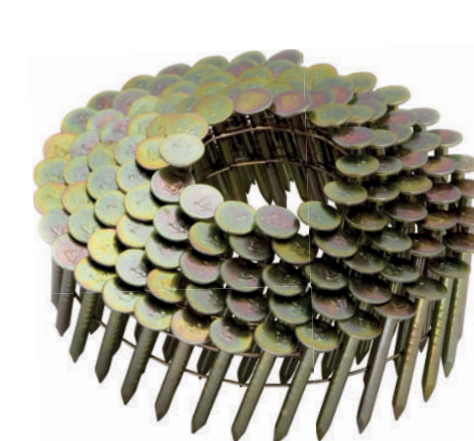

#### APPLICATIONS

- ▶ Siding
- ▶ Fencing
- ▶ Pallets and crates
- ▶ General construction

## Roofing

### WIRE COLLATED ROOFING COIL 1" to 1¾"

#### SHANK

#### AVAILABLE FINISH

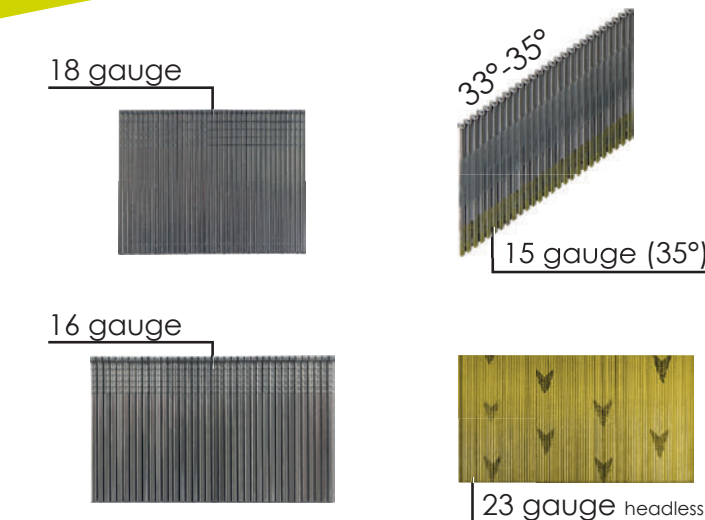

#### APPLICATIONS

- ▶ Roof shingles
- ▶ Felt paper
- ▶ Tar paper

## Finishing

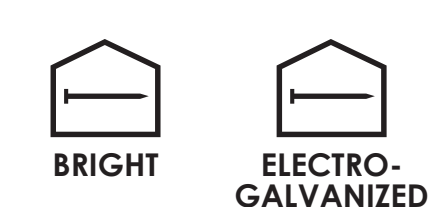

### FINISHING BRADS ½" to 2½"

#### GAUGE

- ▶ 18 gauge
- ▶ 16 gauge
- ▶ 15 gauge (35°)
- ▶ 23 gauge headless

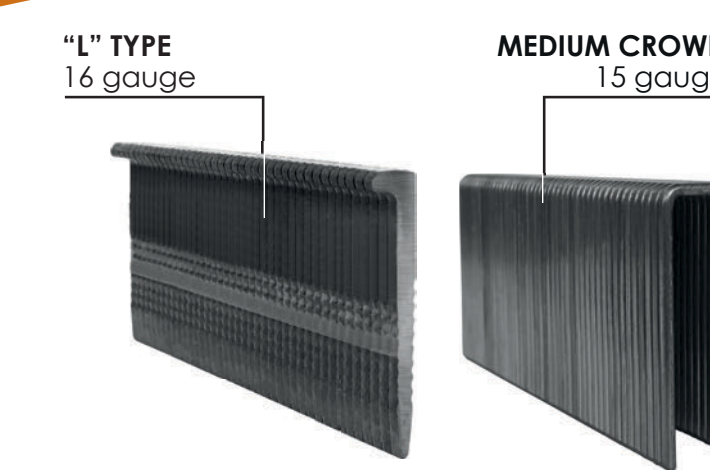

#### AVAILABLE FINISHES

#### APPLICATIONS

- ▶ Mouldings
- ▶ Trims
- ▶ Finishing work
- ▶ Woodwork

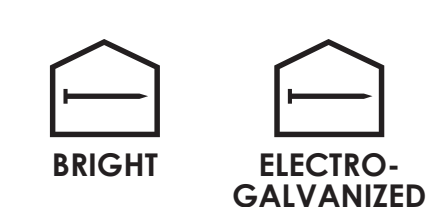

### HARDWOOD FLOORING 1½" to 2"

#### GAUGE

- ▶ 16 gauge "L" type nails
- ▶ 15 gauge medium crown staples

#### AVAILABLE FINISHES

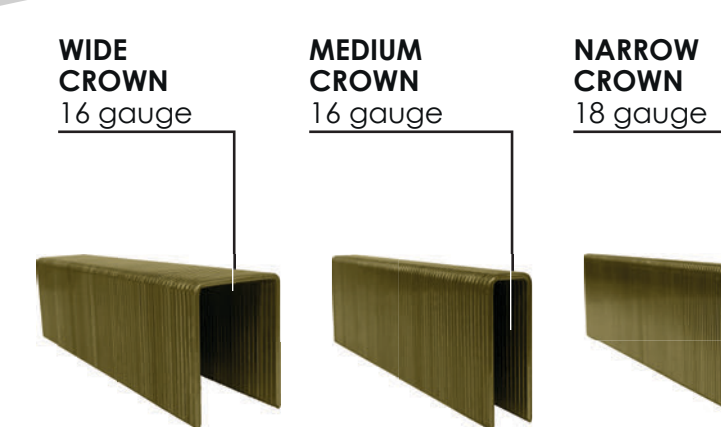

#### APPLICATION

- ▶ Hardwood flooring installation

## Staples

### STAPLES ½" to 2"

#### GAUGE

- ▶ 16 gauge wide crown
- ▶ 16 gauge medium crown
- ▶ 18 gauge narrow crown

#### AVAILABLE FINISHES

#### APPLICATIONS

- WIDE**
  - ▶ Strapping
  - ▶ Insulation
  - ▶ Woodwork
  - ▶ Sheeting
- MEDIUM**
  - ▶ Woodwork
  - ▶ Insulation
  - ▶ Wood shake installation
- NARROW**
  - ▶ Woodwork
  - ▶ Mouldings
  - ▶ Finishing
